

# **HAKEEM ABDUL HAMEED YOUNG RESEARCHER AWARDS**

*Centre of Excellence in Unani Medicine (Pharmacognosy and Pharmacology), Bioactive Natural Product Laboratory, SPER, Jamia Hamdard* has instituted this award for Young Researchers in the field of *Traditional/Unani Medicine/Natural product research for drug discovery* in the memory of **Late Hakeem Abdul Hameed Sb**, Founder Chancellor, Jamia Hamdard

## **OBJECTIVE**

To recognize and encourage the young talented scientists/researchers/scholars from academia and industry working in any area of *Traditional/Unani Medicine/Natural product* research including quality control, pharmacology etc. or any other research related to the promotion and development of Unani and other traditional medicine.

## **CRITERIA OF SELECTION**

The selection will be limited to the delegates of the International conference, who will register for the conference and get their paper accepted for poster/oral presentation/short lecture. Participants engaged in research in any field of Traditional Medicine/ Natural product research, up to the age of 45 years, are eligible.

Three best presentations in each category (Poster/Oral/Short lecture) will be awarded based on the relevance of work and quality of presentation during the conference, where the presentations will be judged by the experts from different areas, as decided by scientific committee.

The Award carries a Memento and a Certificate.
